

## **Journal Papers 2009**

**Agyekum, W. A, S. Dapaah-Siakwan, P. Amankwah-Mainoo and P. K. Darko** Application of Integrated Geophysical Techniques for Monitoring Wells Site Selection in the White Volta River Basin. *Journal of Ghana Science Association Vol. 11, No. 1, June, 2009.*

**Akudago, J. A., Chegbeleh, L. P., Nishigaki, M., Ewusi, A., Nanedo, N. A., Edusei, N. K. and Kankam-Yeboah, K.** Borehole Drying: A Review of the Situation in the Voltaian Hydrogeological System in Ghana, *Journal of Water Resources & Protection*, Vol. 3, pp. 153 – 163, 2009

**Amoako, J., Karikari, A. Y., Ansa-Asare, O. D. and Ofori, E.** Water Quality Characteristics of Densu River Basin in South-East Ghana. *Water Science and Technology Journal*, 2009

**Ampofo J. A.** Diversity of bacteria contaminants in tissues of fish cultured in organic waste-fertilized ponds: Health implications. *Indian Journal of Microbiology (INJM)*, INJM-D-08-00135, 2009

**Amoako, J., Ansa-Asare, O. D., Karikari, A. Y. and Dartey, G.** Levels of Polycyclic Aromatic Hydrocarbons (PAHs) in the Densu River Basin of Ghana. *Environmental Monitoring and Assessment Journal*, 2009

**Anornu G. K., Kortatsi B. K. and Zango M. S.** Evaluation of groundwater resources potential in the Ejisu-Juaben district of the Ashanti Region, Ghana. *African Journal of Environmental Science and Tecnology (AJEST)* pp. 332-340, 2009

**Churcher, T. S., Pion, S. D. S., Osei-Atweneboana, M. Y., Prichard, R. K., Awadzi, K., Boussinesq., M., Collins, R. C., Beatriz Muñoz, B., Whitworth, J. A. and Basáñez, M-G** Identifying sub-optimal responses to ivermectin in the treatment of River Blindness. *National Academy of Science USA*. 106 (39):16716-21, 2009

**Cobbina S. J. Anyidoho L. Y., Nyame F. and Hodgson I O A** Water quality status of dugouts from five districts in Northern Ghana: implications for sustainable water resources management in a water stressed tropical savannah environment, *Journal of Environmental Monitoring and Assessment*, DOI 10.1007/s 10661 - 009 - 1059 – 6, 2009

**Cobbina, S. J., Nyame, F. and Hodgson, I. O. A.** Assessment of Quality of Piped Water Supplied to Households in Western Accra, *Journal of Applied Science & Technology*, 14(1-2), 44-49, 2009

**Darko H. F. and Ansa-Asare O. D.** Chlorophyll-a concentrations in relation to water quality and trophic status in the Weija Reservoir from 2005 – 2008. *Journal of Ghana Science Association*, 2009

**Fianko J. R., Adomako D., Osae S., Ganyaglo S., Kortatsi B. K., Tay C. K. and Glover E. T.** The hydrochemistry of groundwater in the Densu River Basin, Ghana. *Journal of Environmental Monitoring and Assessment*, pp. 1-12, 2009

**Kortatsi B. K. and Akabzaa T. M.** Gold mining in Ghana and its impact on water resources and environment. *Gold Mining: Formation and Resource Estimation, Economics and Environmental Impact*, Novapublishers. Pp. 111-136, 2009

**Kortatsi B. K., Anku Y. A. and Anornu G. K.** Characterization and appraisal of facets influencing geochemistry of groundwater in the Kulpawn sub-basin of the White Volta Basin, Ghana. *Environmental Geology Journal*, Volume 58, Number 6, pp. 1349-1359, September 2009

**Obiri, S. and Cobbina, S. J.** Analysis of emissions from vehicular fallout in Tamale Metropolis, Ghana. *Journal of Soil and Sediment*, 2009

**Obiri, S. and Cobbina, S. J.** Human health risk assessment from exposure to iron, manganese, lead, copper and zinc in water bodies in Tamale metropolis, Ghana. *Journal of Environmental Monitoring and Assessment*, 2009

**Obiri, S., Dodoo, D. K., Essumang, D. K., Armah, F. A. and Cobbina, S. J.** Evaluation of lead and mercury neurotoxic health risk by resident children in the Obuasi Municipality, Ghana. *Journal of Environmental Toxicology and Pharmacology*, 2009

**Tay, C., Asmah R. and Biney C. A.** Trace metal levels in water and sediment from the Sakumo II and Muni Lagoons. *West African Journal of Applied Ecology*, 2009

**Tay, C. K.** Levels of Polycyclic Aromatic Hydrocarbons (PAHs) in Vegetable Produce from Urban Agriculture Sites in Accra, Ghana. *International Journal of Agriculture*, Vol. 1, No. 2, pp. 47-53, Accra, 2009.
